All regular bingo patterns on regular games go into a double bingo after the 11th number. It is the responsibility of each player to "yell" Bingo loud enough to stop the caller when they have a bingo. A complete list of house rules is posted in the Bingo hall. If we have less than 85 people, then double Bingo will not start until after the 15th number. A ball is not official until the caller announces it.

Gold Card Policy

We reserve the right to elect not to sell gold cards should low attendance warrant the election.

Door prizes are awarded at each game:

Up to 10 Free Plays will be awarded based on a random drawing of ticket stubs tended for that night's game. Free plays may not be redeemed for cash.

King and Queen of the month will be awarded based on a random drawing of ticket stubs tended at the last game of the month on Sunday. King and Queen free plays must be used on the date indicated on the ticket, they are transferrable, but may not be redeemed for cash.

Lucky 7 tickets must be cashed in before the end of the night.
